IV. Committee Reports

- Equipment:** Bill Sellars reporting. All equipment is back and inventoried in the field house. Bill is going to review the first aid kits.
- Coaches Committee:** Tom Hackman reporting. Sunday night practices are going good. There's been an average of 25-30 kids showing up, including a lot of new kids. The last night for this practice will be July 28th.
- Fundraising:** Jim Krick reporting. Nothing to report.
- Grounds/Maintenance:** Matt Schrum reporting. He will need parts to change the oil in the sprayer. Matt could use support with volunteers to line the field the Thursday night before each home game. He does this during practice.
- Clothing:** Sally Krick reporting. Sally will be meeting with Courtney Epolito over the next couple weeks to decide on the items for this season. Courtney has volunteered to assist with apparel this year.
- Concession:** Jim Krick reporting. He discussed changing the format to each level being responsible to support the concession stand for a specific weekend. If a parent couldn't help with that specific weekend, they would still have the opportunity to help another weekend. Jim is going to check on where we stand with vendor food donations.

2. Lottery calendars. Further discussed having incentives to sell the most lottery calendars. This would be a great idea to help sell all 1,000 calendars.
3. Game pants. We are looking into integrated game pants that have pads built in, but the ones we tried were too small and not the right material/fit. Still looking for an alternative.
4. Jersey orders are due by July 15th.
5. There will be a scrimmage at Lincoln Park on August 17th; details to follow. On August 24th will be the Oley scrimmage, with multiple games versus various teams; details to follow.

VIII New Business:

1. The first suit up will be Saturday July 27th and the next on Sunday August 11th, both at the field house. Coaches' assistance will be needed to have each run smoothly.
2. Assistant coaches are reminded that they need to complete the online coach's application. Chris Morgan will once again be in charge of coaches clearances.
3. Dicks Sporting Goods has provided a coupon for the league for 20 percent off anything in the store on Saturday July 27th and Sunday July 28th. Jim Krick will send an email.
4. Discussed the idea of a team mom this year at each level. This person could help the coaches with a lot of different things and especially help coordinate concession stand staffing for each levels specific week. More to come.
5. Calls are starting to be made to sponsor a spot in the program, the same as we did last year. If you receive a call, it is legitimate.
6. We received a zero turn radius mower at no cost. We need to determine where to keep this – do we get another shed, as the current ones are full. Is there someone in the houses behind the field with a garage that may have space

****Next meeting: Monday August 5th at Paradise by the Slice, Wernersville, PA**

Motion to Adjourn at 7:03pm
