VIII Unfinished Business:

1. Homecoming update: We're going to need people up there on Friday night to set up the lights. The more people the better. The lights will be dropped off in the afternoon and can be set up where we want them. Once it gets dark, they will need to be adjusted. The midgets are responsible for the concession stand. There are over 500 rolls in the concession stand. We are going to buy hamburgers and cook them off and then put in a crock pot to keep warm. If we want to do a 50/50 for homecoming we can, we just need someone to run it. Kristi Bassetti reporting, Cheerleading is going to have a football toss, making popcorn and cotton candy. They also have 4 tickets to the Reading Royals to raffle off. Jim added that we need to come up with a parking set up for Homecoming – looking into getting stakes and caution tape to create a parking area. Kirk Aulenbach is going to do the announcing for all six games.
2. End of year banquet: November 10th. We ran into an issue with the banquet this year, which is a good issue. There is a larger amount of kids registered in the club this year, and we will not all fit in the Middle School cafeteria. The 4H club was contacted, and they no longer rent the building out to the public. The Leesport Farmers market was also contacted, but they were booked. The decision was made to have the banquet for Mighty Mites, Mites and Midgets. Flag Football will have a separate event.
3. Programs: They have been completed and Chris will give them to coaches this week and have them handed out at practice this year.

VIII New Business:

1. End of Year gifts for Midgets moving on to Jr. High: will do the big bags again and a plaque for the kids that have gone all the way through the program.
2. Equipment Turn-in Dates and Times – November 10th (morning) and November 11th (evening) are tentative dates for this.
3. Upcoming Vacancies (Vice-President, Treasurer, Member At Large). Vice-President nominations: Bill Sellars was nominated for Vice President and he accepted. Treasurer nominations: No nominations for treasurer. Member At Large: Tom Troup was nominated and declined. Henry Reinerd was nominated and accepted. Post meeting, Lizzie Merin was nominated for treasurer and accepted.
4. Kristi Bassetti, CW Cheerleading President, present to report on an incident that happened this weekend at a Twin Valley game. No names will be mentioned. Kristi reported that during a Mites JV game, an incident occurred between a parent and the cheer coaches. Kristi approached the parent and told the parent that they were disrespectful, and the parent continued to yell and be disrespectful to her. There have been problems in the past, but this year there has been much better with the interaction between Football and Cheerleading. Kristi is asking for our support with handling this issue. Cheer parents contacted Kristi regarding what was said to those cheerleaders. Kristi also stated that she was approached by other cheer parents and parents from Twin Valley. Jim added that a board member had witnessed this interaction and he had received emails from other football parents that witnessed it as well. There was discussion among all of the members present regarding proper repercussions, in reference to the Code of Conduct. Ultimately it is the board's decision to make, and the President's responsibility to deliver the news. If the issue is not

handled at this level, the issue can be taken to the CWCA, and brought to the attention of all the clubs in the CWCA.

****Next meeting: Monday, November 4, 2019.**
